HOOYMANS
PIGEONS

3RD EDITION

THE FAMOUS 'HARRY' DYNASTY

One of the best dynasties in history!

FULL OF PASSION FOR THE PIGEON SPORT

the basis of success is laid in the breeding loft

Dear sportfriend,

I'm proud to present the third edition of our brochure already. In this brochure I want to inform you about our "Harry-dynasty" and the current topclass pigeons in our breeding loft. From an legendary racer, "Harry" developed into a truly exceptional super breeder. Unfortunately Harry died in August 2018. He gave his golden DNA to his successors "New Harry" and "Harry Junior", and the next generation winners like "Kleine Harry", "Red Harry" and so on. Their offspring have shown already to be true winners at all kind of distances and races both at home and abroad. This has given rise to an entire pigeon dynasty, capable of dominating the pigeon sport for years.

Since a few years I race my Harry-pigeons in different lofts. In the Netherlands I race at my own loft with my loftmanagers Gerard van de Matten, Michel de Pijper and Silviu Glodeanu. Also in Netherlands I race as Team Hooymans NL together with Christian van de Wetering from Wijk en Aalburg who is also my loftmanager for the breeding team. In Belgium we start up 2 race lofts, 1 in Mol (Team Hooymans BE) together with Gregory Bekaert. And 1 loft in Desselgem (Team Hooymans WVL) together with Kristof Verstraete. Last but not least I have a race loft in the United Kingdom, "Team Hooymans UK", together with John Crehan. Beside this, I am very interested in the One Loft Racing and send teams to big international races.

The best pigeons raced in all these lofts I take back to the breeding loft to improve the "Harry-dynasty".

I wish you all the best in our beautiful sport,

Best regards
Jan Hooymans
