

HOOYMANS PIGEONS

5TH
EDITION

THE FAMOUS
'HARRY' DYNASTY

One of the best dynasties in history!

FULL OF PASSION FOR THE PIGEON SPORT

the basis of success is laid in the breeding loft

Dear sportfriend,

I'm proud to present the fifth edition of our brochure already. In 2025 a dream of me became reality: winning National Barcelona. The wonderful "Tonnie" did fulfill my dream by taking the National victory and made 2025 a very special year again. Also the season in Belgium ended with a spectaculair National victory of "Sara" at Bourges. Now we did win 11 National races in Belgium, in just a few years. The season before (2024) was also one of the most successful years in my pigeon career. In both Belgium and the Netherlands we won 1st Nationals and beside that, we had the 1st National Acepigeon of Belgium in the Great Middle Distance category Yearlings, with the lowest coefficient ever.

In this brochure I want to show you our "Harry-dynasty" and the current topclass pigeons in our breeding loft.

Since a few years I race and test my pigeons in different lofts. This makes the breeders-selection even more strong. In the Netherlands I race at my own loft together with the help of my loftmanagers. Also in Netherlands I race as Team Hooymans NL together with Christian van de Wetering from Wijk en Aalburg who is also my loftmanager for the breeding team. In Belgium we race at 2 lofts, 1 loft in Mol (Team Hooymans BE) and 1 loft in in Desselgem (Team Hooymans WVL). Beside this, I am very interested in the One Loft Racing and send teams to big international races.

The best pigeons raced in all these lofts I take back to the breeding loft to improve the "Harry-dynasty".

I wish you all the best in our beautiful sport,

Best regards
Jan Hooymans
